

Celebrating the Word in School

The Wednesday Word Leaflet Mission is rooted in evangelisation, aiming for schools to simply share Sunday's Gospel with parents and children each week. Each family can then use the leaflet as they see fit. Grounded in God's Word, *The Wednesday Word* can also be easily introduced in the classroom, in assemblies or as a catalyst for other prayerful opportunities. A couple of simple ideas - as starting points - for teacher or pupil led prayer are suggested for you here.

SUNDAY'S GOSPEL**

Praying with the Word - A Simple 5 Minute Idea

For schools that distribute *The Wednesday Word* to parents each week (digitally or hardcopy), introducing a weekly *Wednesday Word* prayer in school can further inspire and support pupils to go, share and reflect on the Gospel with their families.

1. Opening prayer - All say:

God our Father, we come together to listen to the Gospel of Jesus, your Son. Help us to listen carefully to what the Gospel is telling us. Amen.

2. Leader:

The Wednesday Word today is... [announce this week's word].

Let's listen to a Gospel story that can remind us of... [this week's word].

3. Leader or child to read aloud the Children's version of the Gospel.

4. Leader:

Let's think about the Gospel quietly for a moment.

How does it show... [this week's word]?

5. A moment's quiet reflection.

6. Leader:

Let us start to close this special time by saying our *Wednesday Word* prayer together.

7. Closing prayer - All say:

Lord Jesus, we have listened carefully to your words. Please help us to share the good news of this week's Gospel with our families, through our actions and our words.

St Joseph, Patron Saint of Families, pray for us
(you may also want to mention your school's patron saint).
