**Week by week the Gospel is entering family homes**

### Leaflets

The Sunday Gospel leaflets are designed to 'sow seeds' – creating a new and lively weekly opportunity for the Word of God to be present in the homes of those families who are connected to Catholic primary schools. It's 'Good News' for school families.

### Holiday Specials

Designed to continue 'sowing seeds' during the holidays. The attractive 'Holiday Special' booklet also means the school doesn't have to hand out multiple leaflets before the holidays - it's just one item to be handed out on the Wednesday before each half term holiday.

## Feedback from Headteachers

“*The Wednesday Word* fulfils many needs. It presents the Word of God in a way that can be understood by all. There is always something which can be used for reflection or discussion with the children. It also fulfils a need where there is little or no faith in the home by providing a starting point for families to discuss together.”

“I think *The Wednesday Word* is a brilliant resource, really well designed and nicely laid out. It brings the Gospel alive for children and their families. We also use it for discussion in Monday's assembly.”

“*The Wednesday Word* has been incredibly well received by pupils and parents alike! Our children and their families look forward to receiving it each Wednesday and sharing it together in the home.”

**IMPLEMENTATION IS SIMPLE!** Every Wednesday in term time, a Gospel leaflet is 'gifted' to the child to take home and read with their parents.
